# New Gate Governing Board, Inc

---

New Gate Governing Board is a network of churches, ministries, and marketplace leaders from all walks of Christian life. We are building a network that will reach into many different nations and all types of people. Our churches, ministries, and marketplace leaders engage in many different ministry activities in order to reach cities, counties, states, regions, and nations. We are multi-racial, multi-cultural, and multi-ethnic with a mindset to reach the world for Jesus Christ. Our goal is to help others advance the kingdom of God in whatever area they are called to with the proper support necessary to be successful.

## STATEMENT OF PURPOSE

New Gate Governing Board is a non-profit corporation established to help develop and coordinate a network of churches, ministries, and marketplace leaders. We are committed to see each grow and fulfill their destiny in Christ.

## OUR FUNCTION

- Provide spiritual covering for churches, ministries, and marketplace leaders.
- Provide spiritual counseling for leaders.
- Provide prayer for leaders.
- Provide training and development for leaders.
- Provide guidance for church planting.

## OUR FOCUS

Our focus is on leaders in ministry. We believe that God's leaders have been lacking the support and guidance that's needed to fulfill their destiny. Our goal is to come along side leaders and give them the added support that is needed to be successful in Christ.

Building bridges in the  
Body of Christ.

## Doctrinal Statement

We believe that the bible is the infallible and authoritative Word of God, error free, given for the purpose to direct man to salvation. We believe in the Triune God, the Father, the Son Jesus Christ, and the Holy Spirit. All being coexistent, coeternal and coequal. We believe that the Father is the Creator of the universe, heaven, and earth, and is the Sustainer of all things; He is the one and only God, infinite, eternal, holy, true, and love.

## Our Structure
